

Key Instant Recall Facts (KIRFs)

Year 3 Autumn term 2

I can tell the time to five minutes using 'to and past the hour'

This term's KIRF is to be able to tell time to five minutes using 'to and past the hour'.

Why not ask your child the time on an analogue clock at home. Practising telling the time regularly at different times of the day will greatly support your child with remembering and applying this skill. It would be great if they were able to wear a watch.

Top Tips

- The secret to success is practising little and often.
- Use time wisely; practise at key times of the day to begin with.
- You don't need to practise all the times all at once.
